Come to EHMZ

Dear friends of IFFR,

IFFR Benelux is turning 20 and for this occasion we are going to throw an unforgettable party. Those who were there 20 years ago know that the South Dutch are champions at throwing parties. Bubbling champagne, wine and delicious food are some ingredients, topped with friendship and all of this set in a breathtaking landscape. The joint visits are a highlight of our IFFR Benelux weekend. Hence all the more reason for you to register with the enclosed form as soon as possible. I am looking forward to celebrate the birthday of our organisation together and I have good prospects for the next twenty years.

Egide Van Dingenen,
IFFR President Benelux

Saturday May 17th

After an elaborate breakfast at the hotel, the bus will bring you to Veere. This picturesque little town is a successful mix of histo- ry, nature, culture, relaxation and action. It has 22.000 inhabitants and yearly almost 4 milion tou- rists spend their holidays around Veere. It has a rich history which can be admired at the harbour and the market: beautiful mer- chant houses and warehouses with various types of façades.

Here we will visit the 'Schotse Huizen' where we will be remind- ed of centuries of commercial relations between Veere and Scot- land. The museum has an extensive collection of 16th century images of the town hall of Veere and the inheritance of the last inhabitants of the museum, the English mil- lionaire Albert Ochs and his daughter Alma.

At lunchtime we will gather at the Yachtclub of Veere where we will enjoy our lunch and observe all activity in the harbour. From the harbour you can see the town hall, tower, church, museum, his- torical small streets and houses that remind us of the Golden Age.

After lunch we will drive to Arne- muiden where we will visit the shipwarf 'Ship-Warf Meerman'. The warf was build in 1763 when fishery created the need for new ships and shiprepair. The warf grew through the years into a big business and in two and a half century 200 ships (hoogaarzen) were built. In the fall of 2004 the renovation of the warf started and in June 2007 the renovated warf was festively opened.

During our visit of the warf you will enjoy a presentation of Multraship Towage & Salvage, a division of the Muller Maritime Group. The company's core activ- ities are: Harbour towage, sal- vage, coastal & deep sea towage and services to offshore energy and dredging & marine contract- ing industries. Multraship ope- rates a large, modern fleet of tugs, self propelled floating sheerlegs, diving support vessels and other units. Reliability, flexi-

bility, professional- ism and the per- sonal touch are the cornerstones of its services.

Time has come to go back to the hotel where your will have time to relax and dress for our gala-dinner! We will keep you in suspence about what will be served, but you can be sure that a large portion of the meal will consist of seafood so famous for Zeeland! Enjoy the meal, the drinks, the speeches and our everlasting friendship!

Sunday May 18th

Time to say goodbye! After breakfast the minibus will drive you back to the airport along a route that will show you again the beautiful countryside of Zee- land. We hope to see you all again somewhere in the world and especially during the 2015 weekend of IFFR Benelux!
