

## YOU DON'T HAVE TO BE A PILOT TO JOIN THE INTERNATIONAL FELLOWSHIP OF FLYING ROTARIANS

Membership is open to all Rotarians, Rotaractors and their families actively interested or engaged in aviation. Our Objectives are to promote the objects of Rotary through our shared interests in Aviation by:

1. Using our interest in aviation to develop FELLOWSHIP among all Rotarians.
2. Fostering high ethical and safety standards in all aspects of aviation.
2. Promoting Rotary Service through all types of air transport.
4. Advancing international understanding by personal contact between Rotarians.

**IFFR** is one of the oldest Rotary Fellowships and began in Seattle, U.S.A. in 1965.

**IFFR** is really an International Rotary Fellowship as the members and their families from every nation meet face to face and enjoy the wonderful advantage that the worldwide use of the English language for Aviation gives to us all.

Members enjoy **Fly-Ins and Fly-Abouts** in their home countries and throughout the World.
