#### EARLY BIRD PROGRAM

AVAILABLE ON REQUEST  
VIA OUR PRESIDENT KRIS

We are pleased to present to you the programme of the annual fly-in 2022 of IFFR Benelux section in detail.

We have thought carefully to plan enjoyable activities that appeal to both young and old(er) and are feasible. It has become an inspiring mix of culture, adventure and culinary discoveries.

### Friday May 27th

Arrival at EBZW Zwartberg, Genk

We will welcome you at the airfield Zwartberg from 11h00 with a lunch in the Brasserie, located close to the runway.

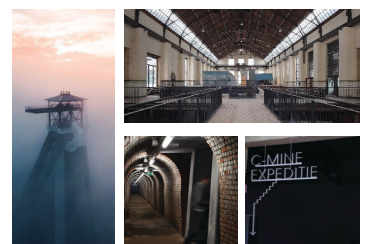

At 14h00 we will leave by coach for a 10 minute-drive for a guided tour in C-Mine in Genk.

#### *Get a different perspective on the mine!*

*C-mine expedition starts in the Energy Building on the C-mine site. First, you descend to a depth of six metres, where you get to see a good deal of surprising installations. In the story tubes, life-like stories are combined with animations, holograms, stage elements and special effects.*

*You can get busy yourself in the interactive sound cell. Produce your own mining 'sound' by operating levers, buttons and wheels. Or get a feel for the atmosphere as you wander through the maze on your way to the top.*

*Quite literally the highlight of the expedition is the ascent of the very tall and very authentic pit tower in the plaza. It's more than 60 metres high! Sure, you may be exhausted when you reach the top, but it's totally worth it: as reward, you get a magnificent view over the abundantly green landscape of Limburg. Are you up for the challenge?*

## M HOTEL, GENK

### A COSY HOTEL IN A UNIQUE LOCATION

*Located at the beautiful Molenvijverpark in Genk, M Hotel can be called one of the most beautiful places in the region!*

*Guests can enjoy the restaurant Molenvijver or relax in their room or in the cosy lobby and bar. The hotel is quietly situated near the park and in the immediate vicinity of the shopping centre.*

*A hotel where nature and tranquillity go hand in hand. Enjoy a drink and a snack in the most cosy spot of M Hotel. Is the weather nice? Then you can also enjoy the beautiful view of the Molenvijver Park from the terrace.*

*See you at M Hotel, Genk*

*More info: [www.m-hotel.be](http://www.m-hotel.be)*

After this visit, we'll leave by coach for a 15 minutes drive to the city-center of Genk where we'll check in the hotel 'M-Hotel'.

At 19h00 we will enjoy a barbecue on the terrace of banquet hall 'Juniper', overlooking the lake 'Molenvijverpark'.

## SATURDAY May 28th

After breakfast, the coach will leave at 9h15 to return to C-Mine-site where we will visit the [Studio Piet Stockmans](#), a place for craft production for porcelain in limited series using special techniques, and to make room for experiment. They designed installations, interior objects and exclusive tableware for toprestaurants. We'll visit the exposition 'The Archief' where you will discover Piet Stockmans' entire oeuvre.

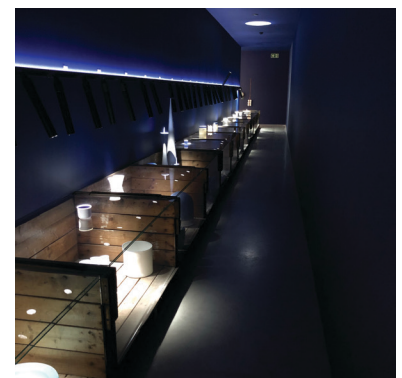

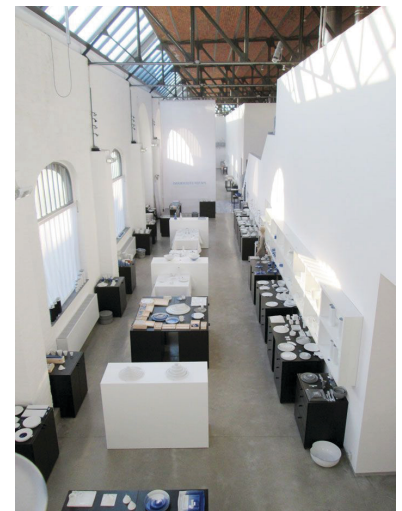

---

*Studio Piet Stockmans is the only company in Belgium that develops hard porcelain. The material and its production are identical to that of the best porcelain manufacturers in Bavaria and Limoges. Since setting up his studio in 1987, Pieter Stockmans has been exhibiting all over the world. Besides selling his work to the Victoria & Albert Museum in London, he was also made cultural Ambassador of Flanders and has been awarded numerous prizes, including The Red Dot Award.*

*One of the studio's milestones was the development and production of the plate for Albert of Monaco's wedding to Charlene Wittstock in 2011. Additionally the studio has developed tableware for a large number of Michelin star chefs such as Alain Ducasse (Louis XV - Monaco), Simon Taxacher (Rosengarten – AU), Peter Goossens (Hof van Cleve – B) and Sergio Herman (Pure C - NL). More info: [www.pietstockmans.com](http://www.pietstockmans.com)*

---

After the visit, the bus will pick us up for a 45 minutes drive to [Heers](#), a small village in the south of the Limburg province, where we'll have a light lunch in a local 'brasserie' (pub).

Make sure to bring your (international) driving licence!

At 13h50, we're expected for a '[Streekproductenroute](#)', a nostalgic drive through the country side in a genuine classic 2CV Citroën (left hand driven).

At the Herkenrodehoeve, your 2CV will be waiting for you at the appointed time. Before starting off, we will get a safety briefing and some instructions how to drive a classic car. Safety first for man and car!

We will be given a GPS to discover the route. We'll try to drive in group but due to traffic it is possible the group could get split up. We ride in groups of 4 (maximum number of people per car). All insurances have been provided. In case of emergency or technical issue, there's assistance at all times.

#### Ready for take-off?

Explore the Haspengouw region and its typical local products. On this route, you will discover this region's passion for authentic, pure flavours with the most delicious fruits and beers the region has to offer. Ideal for bon vivants!

We will make a stop at the Brewery Wilderen, an authentic brewery and distillery of local spirits. This state-of-the-art brewery and distillery is located in an authentic industrial estate from 1743 with an impressive distillery from 1890. You can taste the beers and distillates in the cosy cafe.

At 18h00 we will return to the hotel. At 20h00 you're expected in the banquet room 'Juniper' for the gala dinner (dresscode : black tie). During dinner, our president and guests will inform us about upcoming events. Afterwards, you can enjoy a drink in the lounge bar.

### SUNDAY 30th May

At 10h00 the bus will leave for a 15 minute drive to the Zwartberg Airfield in Genk.
